Withholding Information

The distribution is treated as a partnership distribution for U.S. federal income tax purposes. Non-U.S. holders of Class A units are generally subject to U.S. federal withholding at a rate of 30% (subject to reduction by applicable treaty or other applicable exception) on their share of U.S. source distributions and a 35% withholding rate on distributions treated as gain from the sale of a U.S. real property interest. With respect to interest income and non-ECI capital gains, however, no withholding is generally required if proper certification (on an IRS Form W-8) of a beneficial owner's foreign status has been filed with the withholding agent. Non-U.S. holders generally must provide the withholding agent with a properly completed IRS Form W-8 to obtain any reduction in withholding.
